Rockville, MD 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

This action can only provide monetary benefits to larger pharmaceutical companies, while significantly harming the financial wellbeing of smaller compounding pharmacies.
